Insurance Coverage Resources

Small Business, Non-Profits and Grant Recipients

FROM: Tracy Flynn, Chief of Risk Management

DATE: December 17, 2025

Based on our research and consultation with our Broker and insurance consultant, we have compiled the following list as a resource for obtaining the required insurance coverages when working with the City of Jacksonville. These resources are generally geared towards smaller businesses, non-profits and grant recipients. This is a rapidly evolving market and will be updated as new resources become apparent. This list is not endorsed nor vetted by Risk Management. Please contact Risk Management should you have any questions.
